Parker Technology + get my PARKING

API INTEGRATION

Overview

Parker Technology and Get My Parking have joined forces to elevate the parking experience.

Through a powerful API integration with Get My Parking's AI-driven ExpressLane PARCS platform, parking operations become smarter and more seamless.

This partnership enables Parker Technology users to deliver faster, more efficient customer support.

API Benefits

- Increased visibility into a motorist's payment status
- Increased visibility into a monthly parker's permit status
- Motorists will benefit from a streamlined, LPR-enabled parking experience
- Two-way video capabilities

Curious how this integration can work for your operation?

Fill out the Get My Parking API Interest Form or reach out to our team to explore how we can help your parking operation.
